

AIR CAP POOL LEAGUE NEWS

SAY GOODBYE TO 2020!!!

What a year! After starting 2020 with hopes for another great year of league pool, we got smacked down with week after week of Covid-19 related problems and new government regulations. We were forced to shut down the Spring session entirely after just 9 weeks of play, and cancel the Summer session.

The new 18-week **Master Division** started the first week of August, but the regular session was delayed until three weeks later when the club closing order was lifted.

Over the next few weeks of the session, we said goodbye to three long time league players, ***Shane Shafer, Dave Johnson and Larry Terrell***.....may they rest in peace.

For a while things started to look up, **then** the Covid-19 virus began to hone in on the pool community causing both the Air Cap League and World Pool League along with several clubs to shut down again over a three-week period in November when dozens of players began testing positive.

December brought more loss to the pool community with the passing of ***Jay Furnas, Jimmy Aramburu and Charlie Bridges***. Three Air Cap players that loved playing pool, but also loved their teams and enjoyed socializing with the opponents. **Our six departed friends (in 2020) will leave a HUGE void in our league, but they will not be forgotten...**

We go into 2021 hopeful that the world will soon get back to normal. Until that happens, everyone please be patient as we tread forward (the best we can).....

Here's to a much better 2021!.....Thank you all for hanging in there with us!!!
