V.N.E.A. TOURNAMENT QUALIFICATION?

For players in our Masters Divisions on Tuesday and Thursday, time is running out to be qualified for the May tournament in Las Vegas. We need to solidify teams / players that want to play in this tournament. **THIS YEAR YOU ARE REQUIRED TO PLAY 12 WEEKS OF SANCTIONED LEAGUE PLAY TO QUALIFY FOR THE CHAMPIONSHIP TOURNAMENT IN LAS VEGAS! (One player can be listed as a sub with only 8 weeks of play.)** Tuesday Master and Thursday Master nights of play in the Fall 23 and Spring 24 sessions all count towards the 12 week requirement.

Unlike other national tournaments, the League Operator is required to sign up players for singles and team events for this tournament. I will need to know all information and collect the entry fees no later than April 15, 2024.

SCHEDULE CHANGES

It was a busy off week for the league! Snoops has closed and their teams moved to Barron's Bar & Grill. The Train Station has also closed and each of their teams have dropped out creating a complete schedule revision on Tuesday 3 and Byes on Wednesday 2 along with Thursday 3. For those impacted more detailed information is in the team's packet this week.
