

AIR CAP POOL LEAGUE NEWS

WEEK #11

We are on Week #11 of the Spring Session. All make-up matches were played during the “off week”. Please note that when a make-up match is entered on the system it is for the date it was originally scheduled. You will see the entry of the stats in the totals; however, the prior week’s statistics will be for week #10. If you used week #11 column on your money envelope to write down amounts paid, it was moved to the make-up week column to permit you to record payment for week #11.

One Tuesday Masters match was preplayed and it will be entered on the week that it was originally scheduled to be played.

Due to so many players attending the V.N.E.A. tournament in Las Vegas (5/25-6/3) all ten Thursday Master teams preplayed the week 18 match during the Off Week! Since all week 18 matches were played we have entered them using 3/30/23 as the match date on league-central. The last week of play for Thursday Master teams will be week 17 on your schedules (5/18)!

CONDOLENCES

Our deepest sympathy to the family and friends of Van Calvin. Van passed away unexpectedly on March 20, 2023. Van joined his best friend, Tom Elliott’s, Tuesday 2 team this session and was a true pleasure to meet. We enjoyed having Van and his wife Dede become part the Air Cap family, may he rest peacefully.
