

AIR CAP POOL LEAGUE NEWS

LEAGUE SUSPENSION UPDATE

I don't know about the rest of you, but I am certainly ready for league to get started! The State of Kansas' *Stay at Home* order currently expires on April 19, 2020. Sedgwick County's *Stay at Home* order is scheduled until April 23 2020. If the *Stay at Home* orders are not extended, the clubs **should** be able to reopen. Once the clubs reopen, we are ready to restart league right where we left off! At this time, we are optimistically and tentatively saying play should resume on Monday, April 27, 2020.

As you know facts are changing daily... So please check our Facebook page often to get the latest report. Everyone stay safe and healthy, hope to see you soon!

THANK YOU FOR SUPPORTING THE AIR CAP POOL LEAGUE
