

AIR CAP POOL LEAGUE NEWS

LEAGUE RESTARTING UPDATE

The State of Kansas Phase 2 reopening plan is permitting clubs and bars to reopen at 50% occupancy no sooner than May 18, 2020.

I am in the process of contacting all club owners, that have teams in our league, to confirm that if the Governor moves forward with Phase 2 on Monday, May 18, 2020 they are ready to start league play in accordance with the occupancy and social distancing guidelines on that day.

As you know facts are changing daily... So please check sedgwickcounty.org/covid-19 website for up-to-date information. Our Facebook page will also be updated with the latest report on the clubs. Everyone stay safe and healthy, hope to see you on May 18th!

THANK YOU FOR SUPPORTING THE AIR CAP POOL LEAGUE
