

AIR CAP POOL LEAGUE NEWS

TOUGH TIMES, TOUGH DECISIONS!

Well we tried! With the uncertainty of when the State of Kansas will permit clubs to reopen, we have decided to end the Spring session with the current stats (week 9).

The Governor's 1.5 phase, which does not permit bars to open until possibly 6/1/2020, impacts many locations in our league. A club that has a restaurant license and serves food can be open under the restaurant program. But if they do not serve food (chips and nuts don't count!) they are considered a bar and must remain closed. In addition, social distancing regulations would restrict our ability to have league play in some clubs.

We have heard from several of you that you are out of work, put on 2nd shift, have players that can't play in the summer or are struggling right now. Coupled with the fact that the Governor has stated that she is leaving the possibility that she may extend the Phase 2 date; we feel the right thing to do for our players is to wrap this session up and set our sights on the Fall 2020 session!

Here's how we intended to wrap up the Spring 2020 league business:

- Teams will be paid back according to their rankings using final stats from week 9.
- Pay Outs will be based on 2/3 of our normal payout for 14 weeks.
- Because we will not be having a payback party, the 10% that is normally used for the payback party will be added to each team's payout.
- Teams that have paid ahead will have the team overage refunded in addition to the payback.
- We do not keep individual pay records, only team total pay records. It is the TEAM CAPTAIN'S responsibility to keep the individual player records. The team captain will be responsible for distributing the payout to their players. Captain's keep in mind some players may have paid ahead and some players may be behind in their dues!
- Clubs that have paid their sponsor fee for the Spring Session will be given a credit of 1/3 to be applied to the Fall Session. Clubs that have not paid will receive a revised bill.

Payback distribution will be at:

Southside Bar & Grill, 3837 S. Seneca.

5:00 pm – 7:00 pm on Wednesday 5/20

5:00 pm – 7:00 pm on Thursday 5/21

Team Captains or team representatives please *come get your money* at that time. We will also have ERO, 8 Ball Break and MVP pins available. If you cannot make either of these dates / times, please get in touch with me.

We know a lot of you were looking forward to the Summer session, but with the uncertainty we are forced to abandon the Summer session. **Very soon we will be making an exciting announcement regarding our Fall 2020 League Session!** Stay current with ACPL Facebook page for all of the Fall details.

We appreciate your support, patience and understanding through these chaotic times. Air Cap Pool League players are the BEST! Thank you, Thank you, Thank you!
