## AIR CAP POOL LEAGUE'S RESPONSE TO COVID-19

Our league will **not** be establishing face covering rules regarding Covid-19. If you feel comfortable wearing face covering, please do so. If you do not, it is the prerogative of the Club Owner/Management to establish the rules that you must abide by in *their* business. **Please also be aware of any rules or guidelines established by City, County, State or Federal officials that are in place.**

A few key points:

- ❖ The practice of shaking your opponent's hand prior to and after each game is suspended.
- ❖ Please practice Social Distancing from those not in your group.
- ❖ Use hand sanitizer and / or wash your hands prior to / after each game.
- ❖ Stay home if you do not feel well, call your team captain and have a sub play.
- ❖ **BE MINDFUL OF THE 11 PM SHUT DOWN ORDER THAT IS IN PLACE.** Start the matches on time, be ready to play when it's your turn, for now timeouts are not to exceed 1 minute, if possible, go to 2 tables if not in Round 3 by 9 pm.

Please just **BE SMART**, everyone knows by now what they need to do to be safe.

*Thank you for playing in the Air Cap Pool League!*
