Cue & Case Winner – Week #7

Congratulations MIKE CRANE, Mann Cave – Monday 2

MAKE-UP MATCHES

We have several make-up matches to be played during the off week (October 19-22, 2016). Many teams have more than one make-up to play. If you have multiple matches to make up at different locations, we will schedule one for your regular night of play and you will have to work with the opposing team captain to schedule the other for another night that week. I will have make-up packets at the locations for all matches.

Failure to show up for a scheduled make-up match will result in a forfeit.
