

AIR CAP POOL LEAGUE NEWS

REMEMBERING TINY WEBER...

Last Wednesday Club Billiards owner and pool promoter Joseph “Tiny” Weber, lost his battle with cancer. Tiny was a truly great individual with heart and compassion even larger than his stature. His passion for our sport made Club Billiards known worldwide, and brought first class events and tournaments to Wichita. The Wichita pool scene has suffered a great loss, and the Air Cap League has lost a very good friend. Our deepest sympathy goes out to Debbie and family as well as his many, many friends.

May you rest in peace brother.

**Services for Tiny will be 11am on Wednesday Dec. 5th,
at Gracepoint Church...9035 W. Central.**
